

Creating Raving Fans *Everyday.*

If there is one word to describe one of the most important features of a home, it is flooring! No one can be an expert on everything, but you can be an expert on one thing, and that's *exactly* what Malkin's Carpets is – an expert on all your flooring needs. If you are under the impression that Malkin's Carpets only carries carpeting, you might be surprised when you visit their newly expanded floor covering fashion center. You will find all of the latest home fashions in vinyl, hardwood, laminate, ceramic tile, and area rugs.

Providing service to southeast Wisconsin since 1979, Malkin's Carpets has been a leading provider of flooring needs to builders, remodelers, and consumers. For 30 years, they have been helping retail and commercial customers find just the right floor. They have built an incredible sales team that has proven their high level of service through their ability to handle all situations. With their enthusiasm and excellence, they have created a great atmosphere and you will be sure to find that the minute you walk into their showroom.

Malkin's Carpets prides itself on helping their clients get smart about flooring. Over the years their service and expertise has given them the lead-edge. They believe in well-trained,

knowledgeable and skilled employees. Participation in training programs and seminars has enabled Malkin's Carpets' sales team to find the right product for the right application. In turn, this ensures your flooring will stand the test of time and enables Malkin's Carpets to give you the performance in flooring that you would expect. With a Lifetime Installation Warranty and a sales team that has been empowered to help you with every need, Malkin's Carpets has been the recipient of many awards including the Midwest Region Floorscapes Dealer of the Year Award in 2004, and more recently in 2008.

They also believe in making smart choices for both the home and the environment. There are many new & innovative products for green flooring, and Malkin's Carpets offers flooring solutions from Mohawk, such as Smart Strand made with DuPont Sorona Renewably Sourced Polymer, PTT (Polytrimethylene Terephthalate) and carpet made from plastic and soda water bottles, PET (Polyethylene Tere-

phthalate). Earth friendly carpet is also easy to care for, very durable, and very soft! Other green options they provide are Cork, Marmoleum, Bamboo and Reclaimed Hard Wood.

The Malkin's Carpets team is ready to help you. Whether you are building, remodeling, or simply wanting an update, Malkin's experts are ready to make you one of their next raving fans! Visit Malkin's Carpets fashion center today!
