Wallner Builders

Ron Klassen

262. 754. 3770 • www.wallner-builders.com

This seamlessly blended two-story addition included a new kitchen with custom cabinetry, oversized island and granite countertops to create an open, informal feel. The project expanded the dinette, mud room, and a second floor bedroom and bath above to provide needed space in those areas. A new task-oriented laundry room, a built-in computer desk, a private master bedroom reading room, and a lower level exercise room completed the wish list.

Two-Story Addition

800 Talon Trail • Brookfield

Hawks Ridge Subdivision, off Davidson Rd. between Bluemound Rd. and Greenfield Ave. From Davidson Rd., take Hawks Ridge Rd. north one block to Coopers Lane. Turn right on Coopers which bends left to become Talon Trail. Home is on right-hand side at end of bend.
