Callen Construction, Inc.

Francis Jones, CKD, CBD

414. 529. 5509 • www.callenconstruction.com

A few construction changes, a new functional layout, and an active on-the-go family's needs and wants were taken into consideration, making this new kitchen a lifestyle kitchen.

Starmark maple cabinets, granite counter tops, Mannington vinyl flooring, Elkay stainless sink and Moen faucets are just a few of the products that make it a living space most people only dream of.

Kitchen Remodel
