FOR IMMEDIATE RELEASE

MBA Spring Tour Opens Doors to more than 50 Homes, Condominiums, Lots and a Remodel Project

(Waukesha, Wis.) April 11, 2017 – The Metropolitan Builders Association (MBA) 2017 Spring Tour, presented by Pella Windows & Doors, will run three consecutive weekends this spring: April 22 – May 7, with projects open Saturdays and Sundays from noon to 4 p.m. This FREE regional-site tour will feature 42 model homes and two condominiums, nine lots ready for future construction, and one remodel project (open the last weekend only).

The MBA Spring Tour kicks off the building season, and connects consumers with the area’s leading residential building contractors. The three-weekend event draws thousands of visitors from all over Wisconsin. As the only extended open house of its type in the state, the Spring Tour offers a unique opportunity to view a variety of projects and help consumers begin planning for the home of their dreams.

“The MBA Spring Tour opens the doors to more than 50 locations, in southeastern Wisconsin, that people can tour over the three weekends,” said Kristine Hillmer, executive director of the MBA. “It inspires those on the fence about building or remodeling, and helps them find the right people for their project.”

Collectively, the MBA Spring Tour sites will showcase a wide array of home building trends, including the latest concepts in floor plans, energy efficient products, fixtures and appliances, structured wiring, home automation, security systems, and interior design.

A complete list of projects and map are available online at MBASpringTour.com.
