## **MBA Spring Tour Opens Doors to 60 Homes, Condominiums and a Featured Subdivision**

**(Waukesha, Wis.) April 4, 2018** – The Metropolitan Builders Association (MBA) 2018 Spring Tour, presented by The Builders Realty, will run three consecutive weekends this spring: April 21 – May 6, with projects open Saturdays and Sundays from noon to 4 p.m. This FREE regional-site tour will feature 56 model homes and three condominiums, and one featured subdivision.

The MBA Spring Tour is the only extended open house of its type in Wisconsin. It kicks off the building season and connects consumers with the area’s leading residential building contractors. The three-weekend event draws thousands of visitors from all over the state.

“The Spring Tour offers a unique opportunity to view a variety of projects and help consumers begin planning for the home of their dreams,” said MBA President Jonathan Synovic. “It inspires people who are thinking about building or remodeling – gives them ideas for their home and connects them to the right company for their project.”

Collectively, the MBA Spring Tour sites will showcase a wide array of home building trends, including the latest concepts in floor plans, energy efficient products, fixtures and appliances, structured wiring, home automation, security systems, and interior design.

A complete list of projects and map will be available online at [MBASpringTour.com](http://MBASpringTour.com).
