FOR IMMEDIATE RELEASE

Final Weekend for the MBA Spring Tour

Tour Opens Doors to Homes, Condominiums, Lots, and a Featured Subdivision

(Waukesha, Wis.) May 1, 2018 – The Metropolitan Builders Association (MBA) 2018 Spring Tour, presented by The Builders Realty, opens its final weekend, from noon to 4 p.m. on both Saturday May 5 and Sunday, May 6. This FREE regional-site tour will feature 56 model homes, three condominiums, five lots, and one featured subdivision.

The MBA Spring Tour connects consumers with the area’s leading residential building contractors. The three-weekend event draws thousands of visitors from all over Wisconsin. As the only extended open house of its type in the state, the Spring Tour offers a unique opportunity to view a variety of projects and help consumers begin planning for the home of their dreams.

“The MBA Spring Tour opens the doors to more than 60 locations, in southeastern Wisconsin, that people can tour over the three weekends,” said MBA President Jonathan Synovic. “It inspires people who are thinking about building or remodeling – gives them ideas for their home and connects them to the right company for their project.”

Collectively, the MBA Spring Tour sites will showcase a wide array of home building trends, including the latest concepts in floor plans, energy efficient products, fixtures and appliances, structured wiring, home automation, security systems, and interior design.

A complete list of projects and map are available online at MBASpringTour.com.
