

# FALL 2017 - Plus ONE Membership Drive

Help grow the Metropolitan Builders Association by participating in our +1 (Plus One) Membership Drive. All you need to do is recruit +1 new member to join the Association. While we encourage you to bring in more than +1 new member, we ask that everyone recruits at least +1. Add value to your membership by adding value to the Metropolitan Builders Association. With each new member comes new customers, business partners, and relationships that will last a lifetime.

Make sure to share the following about the MBA with potential members:

- ✓ 3-in-1 Membership
- ✓ Advertising Opportunities
- ✓ Education Programs
- ✓ Networking Groups
- ✓ Rebate Programs
- ✓ Access to Resources

The Membership Drive will run from now through the end of October. Participants who bring in a minimum of ONE new member will receive recognition in the MBA Lobby and have their name entered in a drawing. If you have any questions or need additional information, please contact either Taylor at [twoods@mbaonline.org](mailto:twoods@mbaonline.org).

**The MBA must receive an application from the new member AND a completed +1 Form from you for a chance to win. Names will be entered in the drawing for each new member that joins the association.**

*Please return this sheet to the MBA office. An MBA staff member will reach out to the prospect with more information.*
