Job description and information:      Renewal by Andersen, America's premier replacement window and door company, is seeking window and door installers to join our teams of elite craftsmen. This will be a full time, W2 position.

We're the leader in the industry and are looking for the best to work with us on our continued growth. If you're passionate about creating an exceptional customer experience, call us today to learn more about our mission.

**JOB DESCRIPTION:**

Onsite installation/removal of windows and doors  
Recognize situations that would impact customer expectations, job costs and/or code performance and provide solutions  
Maintain a thorough knowledge of product, install techniques, and construction basics  
Strive for customer satisfaction by ensuring that customers accept proposed solutions and /or alternate techniques. Maintain great relationship with customer before, during and after installation

**BENEFITS:**

Guaranteed year-round work  
New tools and trucks to help you get the job done right  
Generous paid vacation and holidays  
Paid Training  
Full medical, dental, life insurance plan

**QUALIFICATIONS:**

Previous experience in construction field  
Previous experience installing windows and/or patio doors - knowledge of window wrapping and brake use a MAJOR PLUS!  
General tool knowledge  
General knowledge of safety practices  
Driver's License
