## **The MBA announces recipients of the Best Booth Awards at MBA Home Building & Remodeling Show**

**(Waukesha, Wis.) February 6, 2019** – Exhibitors at the 2019 Metropolitan Builders Association (MBA) Home Building & Remodeling Show competed for best overall booth at the exposition that ran January 11-13, 2019 at Wisconsin State Fair Park.

The exhibition booths were reviewed by an independent panel of judges based on visual appeal, creativity, use of materials, and brand exposure. Booths were split by size: Best 10x10; Best 10x20; and Best Large-Scale Exhibit.

Best 10x10 went to JDog Junk Removal; Best 10x20 went to ShelfGenie; and Best Large-Scale Exhibit went to Bielinski Homes.

The 2019 MBA Home Building & Remodeling Show had the highest attendance since moving the event to Wisconsin State Fair Park, showing an increased consumer interest in homebuilding and home related projects.

The MBA's next event, the Spring Tour, will run three consecutive weekends this spring: April 27 – May 12, 2019. Projects will be open Saturdays and Sundays from noon to 4:00 p.m. This FREE regional-site tour will feature model homes, condominiums, lots, subdivisions, and remodeling projects featured May 4 and 5.

The Spring Tour is the only extended open house of its type in Wisconsin. It kicks off the building season and connects consumers with the area's leading residential building contractors. The three-weekend event draws thousands of visitors from all over the state.
