## **SAFETY PLAN**

2021 Metropolitan Builders Association Home Building and Remodeling Show

### **SAFETY PLAN FOR PATRONS ATTENDING SHOW**

1. All attendees to the show will be required to wear face coverings, if mandated, while indoors at the event unless actively eating or drinking. The MBA will provide masks at the entrance for those that do not have them.
2. Physical distancing will be utilized which includes keeping six feet between yourself and others when possible.
3. Hand Sanitizing stations will be available throughout the Wisconsin Expo Center at State Fair Park for attendee and exhibitors use.
4. Metropolitan Builders Assoc. will provide floor markers to direct the flow of traffic one way down aisles.
5. We will have 10' aisles to increase the ability to social distance.
6. Metropolitan Builders Association will be utilizing e-tickets to minimize contact.
7. All attendees will be entering and exiting the show floor through a designated location.

### **SAFETY PLAN FOR EXHIBITORS, STAFF**

1. Exhibitors will be required to perform a personal health check and if any symptoms are present, such as cough or fever, exhibitor will not enter show floor.
2. All exhibitors will be required to enter and exit through a designated location.
3. Exhibitors limited to one staff person per 10x10 booth unless prior authorization from MBA staff.
4. There will be a public break area for exhibitors, social distancing will be required in this area.
5. Exhibitors will be required to wear a mask or face covering, if mandated, at all times. Due to this requirement, exhibitors will be allowed to take periodic short breaks from time to time.
6. Booth space will need to be sanitized on a regular basis especially high touch areas. This may include drawer and door handles, tables, chairs, exhibit booths and all touch points. Exhibitors are encouraged to have hand sanitizer and disinfecting wipes at their booth for their own use.
7. If you are planning on providing materials to attendees, exhibitors should consider providing gloves for those that are not comfortable accepting materials without them.
8. Exhibitors shall utilize social distancing guidelines which include a six-foot radius when guests are in their booth space.
