Job description
and information:

Summary

The Production Assembler is responsible for producing work and assembling doors components according to work order specifications in a production environment.

Essential Duties and Responsibilities

This list of duties and responsibilities is not all inclusive and may be expanded to include other duties and responsibilities as management may deem necessary from time to time.

- Reads and follows shop tickets in order to prepare quality interior/exterior door units for assembly and/or packaging.
- Perform visual inspections of material to identify scratches, dents or defects prior to and during the assembly process.
- Operate necessary equipment, including corner square, various hand tools, chop saw, table saw, router and air tools.
- Verify that finished product meets required tolerances, color shades and profiles per customer specifications.
- Show and perform quality inspections.
- Maintain acceptable housekeeping; follow prescribed safety rules and regulations.

Qualifications

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Must be punctual and regular attendance.
- Able to perform basic math calculation, including adding and converting fractions.
- Able to handle heavy weight and awkward objects.
- Able to read a tape measure to 1/16th of an inch.
- Must be able to perform in a teamwork environment.

Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to stand and use hands to finger, handle, or touch objects, tools, or controls. The employee is occasionally required to walk; sit; reach above shoulders; climb or balance; stoop, kneel, crouch, or crawl; talk or hear; and use foot/feet to operate machine. The employee must regularly lift and/or move up to 50 pounds, frequently lift and/or move up to 75 pounds and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision and peripheral vision.

Work Environment

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee frequently works near moving mechanical parts and is frequently exposed to fumes or airborne particles. The employee occasionally works in outside weather conditions. The noise level in the work environment is usually loud.
