Job Title: Installer

Pay range (optional):	
Start	Currently open
Company Website:	https://www.shelfgenie.com/locations/milwaukee/
Contact for job posting:	Brent Lueck 262-674-6269 blueck@shelfgenie.com
Job description and information:	We are currently seeking installation partners who are already talented craftsmen to install our custom Glide-Out shelving in customers' existing cabinets. This is an opportunity for you to grow your business alongside ours. While the work is only part-time, our clients sometimes need other remodeling and fix-up work in their home, which can lead to additional side work for your contracting company.
